

TOUCH of LIFE

Furniture

Fabrice Zuber, managing director of Touch Of Life a *unique antique shop*, has opened the doors to the Hua Hin public and offers one of a kind pieces of antique furniture that they themselves hand pick from various nations in Asia. The family has had a long history in the antique business around Asia and Europe and they have brought their *passion for rare and unique pieces of art to Hua Hin.*

According to testimonials from their own customers Touch Of Life, *furnish homes with a distinctively unique touch and feel* that helps add a warm homely feeling to a previously unfurnished villa.

Touch of Life, run *under Swiss management*, can design and acquire a manner of different furniture pieces according to the customer's desires. They can be contracted to *create beds, tables, chairs, etc... according to a design the customer chooses* and the company creates the pieces using, as its source, old and refurbished Teak wood that has been reclaimed from other antique pieces and which Touch Of Life *personally guarantees its quality.*
